### **\$100,000 Bowling To Teachers Grant Program Available Too!**

Kids Bowl Free has been working closely with teachers, school administrators and bowling centers over the past four summers to help provide a safe, fun activity for children while they are on summer break. Many teachers have expressed their concern of budget cuts and the inability

to have all of the teaching aids they need for their students to have the best learning environment possible. The Bowling To Teachers program is a small step to helping 400 teachers improve their learning experience for their students. Allen Bowl is proud to be a Platinum Level sponsor of this program!

Grant applications will be accepted from certified K-8 teachers from all U.S. states, the District of Columbia and the Provinces of Canada, excluding Quebec. K-8 certified teachers teaching in public, private, charter or parochial schools may apply. "Bowling To Teachers" currently does not offer grants to pre-school or home school instructors.

For teachers that would like to apply they just need to visit [www.BowlingToTeachers.com](http://www.BowlingToTeachers.com) and complete the short grant application. 80 grants (\$250 each) per month will be awarded from March through the end of July 2012.
